HELPING YOU MAXIMIZE THE LIFE OF YOUR GEARBOXES

REPAIRS

Scheduled & Emergency Repair

Sumitomo's Product Support offers scheduled repair services as a one-stop-shop for all your related gearbox needs. For emergency repairs, we offer a 24 to 72-hour turnaround. Please consult your representative for product eligibility.

FIELD SERVICES

For Your Convenience...

Most of the services offered at our shops can also be performed at customer locations. Additionally, customized training can be provided on-site to help reduce costs and increase productivity.

INSPECTION REPORTS

Data...

Detailed inspection reports reveal problem areas and the extent of repair required to return the gearbox back to its original design specifications.

COMMISSIONING AND START-UP SERVICES

The Key to Long Life

Our commissioning and start-up services ensure that your gearbox is deemed ready for service.

ROOT CAUSE INVESTIGATION

Product Support

Sumitomo's Product Support has the experience required to explore a wide range of approaches, tools and techniques to uncover the causes of the most challenging problems.

Providing you a variety of service solutions to help achieve the lowest cost of ownership.

WHY CHOOSE SUMITOMO

Products Built to Last

Sumitomo products are built to last. They are known among industry leaders as some of the best and longest lasting drives available. Your drive will be repaired to the original factory specifications and warranty using Sumitomo-manufactured parts.

Extended warranty programs are available upon request.
